Apparel Bangla Sourcing Limited (ABSL) is a Flat knitwear manufacturing & exporting company of Bangladesh located at Gazipur Sadar, Pubail, Gazipur city corporation ward no 40. Since its inception in 2010, it has been serving exclusive designed product of its customers in Denmark, Poland, Spain, Japan, United Kingdom & USA. We don't have any MOQ boundary. Buyers still prefer to have their small and exclusive designed product with us.

We are still moving forward little by little in our 16 years of business life by overcoming various internal and material adversities. We are now in our own 2 story industrial building in his 15,000 sft along with modern computerized flat knitting machine. The new journey was very charm full, tense full, innovative with a lot of joy for new experience in everyday in which production capacity only 4000 pcs in a month.

However, our capacity has now multiplied to 12,000-15,000 pcs in a month based on style/ productivity, it will increase soon to 20,000-25,000 pcs in a month. We are those too enjoy. Because we have arranged our work rules in such a way that the employees feel happy to work and the tasks are as unique as the samples. In the way there has no short shipment or no late shipment in our factory.

Our vision is to provide maximum satisfaction to our customers through continuous improvement of operational efficiency. We wish to develop and grow by supporting our clients in best possible manner by offering them our quality production and round the clock service. We intend to build a strong tie with our customers by gaining their trust, respect and so that at the end of the day they can consider us as their trusted partner.

"We believe in the relationship more than business". You are welcome to become a partner of our strength.

Work & environment: The openness and natural light all around is a great neat environment in our factory. And we like to work 8-10 hours in a day. Friday is a holiday.

A tea or coffee break for 20 minutes by 10.00 in the morning is a regular practice in the factory. Lunch & prayers break for an hour at 1.00 in the afternoon keeps everyone bright all day long.

A view of factory building at the entrance side, It is just 60 yards away from Asian High way & 10 yards away from Chamudda Kudabo road..

Our floor is spacious with proper lighting and ventilation offering healthy and hygienic working environment for workers. We intent to set any necessary equipment that might help to improve our workers skill, efficiency and make sure no negative effect on the working environment and health. In a word, we don't have any attitude to compromise with quality on production and healthy and safety issues of employees.

The managements are highly professional & skilled experienced for Human sweater, Pet Animal sweater, knitted beanie & scarf. Shariful Alam Chowdhury is the key man & the Managing Director of the company. He has long practical & working experience in Merchandising, Sourcing & production during 20 years in various renowned sweater industries of Bangladesh & liaison office of branded customer in the world.

A view of a customer visit in the factory premise along with managing director , picture has been taken in knitting floor.

We have composite working process in the same factory premises from winding to packing including washing. We have some supported & depended factories that are bearing world best flat knitting machine. Some of times we are getting knitting support from them once needed.

Gauge wise production capacity:

Type of flat knitting	Capacity per month (Pcs)
Multi gauge Sweater	12,000-15,000
7 gauge Sweater	12,000-15,000
12 gauge Sweater	12,000-15,000
Beanie /Toque	70,000-90,000

We can increase our production capacity once needed to engage our supported/ depended factories for knitting only. Because we have more than 60,000-90,000 pcs finishing capacity in a month.

Cerebrating birthday in a month of 3 workers together in the year 2023

Apparel bangla
